

POWER TO THE PEOPLE!

In ONE meeting, City Council will be taking THREE votes to lock in the next Mayor on depriving Chicago's Black and Brown communities of resources we need to thrive in favor of mega projects the people DON'T want!

1. \$95 million #NoCopAcademy zoning, AECOM contractor

2. #HellNoHilco Global's \$19.7 million tax grab to pollute Little Village

3. #DelaytheTif Sterling Bay's \$6 billion Lincoln Yards project with a \$1.3 billion giveaway

Come through to support the fight back at City Hall!
