RE: Chicago Inspector General Report – Implosion April 11, 2020

Mayor Lightfoot,

We, the undersigned elected officials, call on you to release and respond to the Chicago Inspector General report, published by Joe Ferguson, as soon as possible to maintain an honorable level of accountability and transparency we have promised our constituents.

The residents of Little Village and the Southwest side were negatively impacted by the botched implosion of the ComEd smokestack and deserve answers now, not in the coming months. They have waited over 18 months for answers and should not have to wait an additional 30 to 60 days for a response.

Thank you for your time and attention to this matter and please contact me at your earliest convenience with your response.

Sincerely,

22nd Ward Alderperson - Michael D. Rodríguez
Congressman - Jesus "Chuy" García
Senator - Celina Villanueva
Representative - Edgar González
Commissioner – Alma Anaya
